We have a workshop on the harbour front, our own service wharf and a crane capable of lifting up to 40 tons. We can repair fibreglass, wood, steel and aluminium boats at the workshop, where we can, for instance, lay a new teak deck or fit a bow propeller, giving you greater safety in harbour manoeuvres.

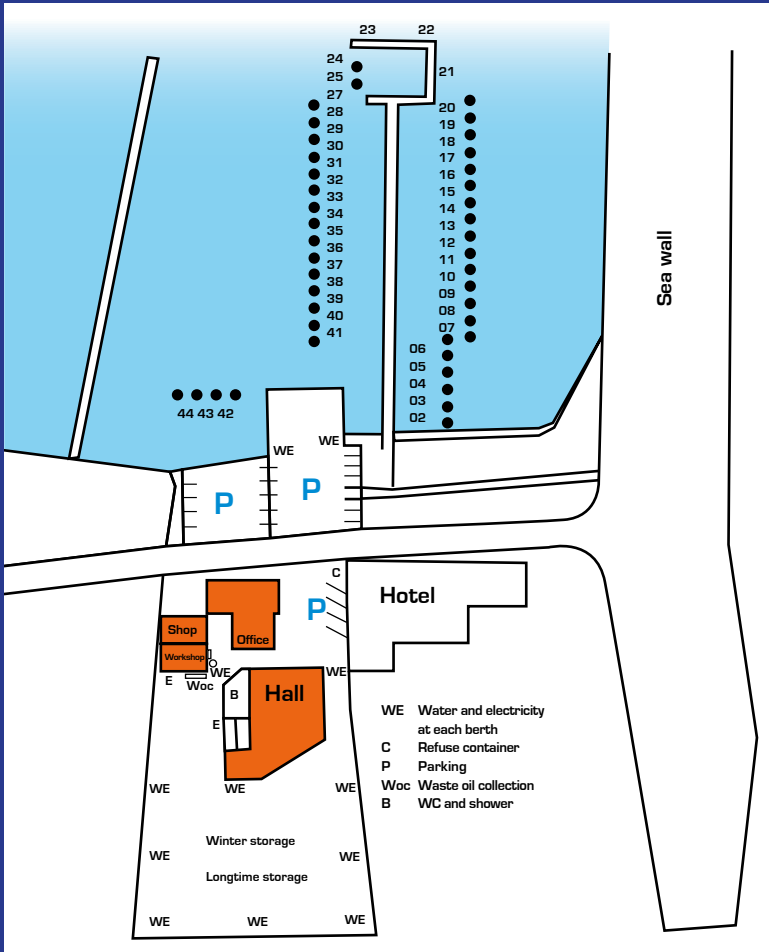

We install 

After a bracing day sailing in the wind and weather, it is nice to enjoy a bit of warmth and shelter. **Webasto** and **Eberspächer boat heaters** give you much-needed warmth quickly and make it cosy on board.
